Letter of Reference

Working with Starcode over past 3 years has been both worthwhile and valuable experience.

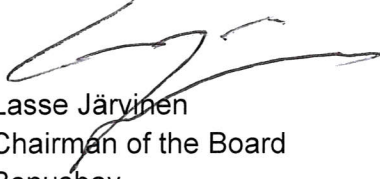

The Starcode team is fully responsible partner of ours for the following objectives of our business:

1. Localization of our cashback service Bonusbay.com for Russian markets (Kopikot.ru project);
2. Overall technical support of the project;
3. Development of Mobile application and browser extensions;
4. Promotion and advertising of the project (operate with targeted advertising campaigns in social networks Vkontakte and Facebook, content strategy for the company's page in social networks as well as work in Instagram)

I consider this project to be measurably successful. The Starcode team was diligent, driven and focused on achieving our mutual objectives.

I would and will recommend the services of Starcode team.

Sincerely,

Lasse Järvinen
Chairman of the Board
